

Dear Club Managers,

District 9 invites your club to participate in upcoming District Charity games. Listed below you will find the dates, sessions, beneficiaries, ACBLscore set-up instructions and the sanction numbers for each game. These games are being offered to all clubs in District 9 and a regular game sanction is not required for the time the games are held. In December, these four games will offer your club the opportunity to support the ACBL Charity Foundation and your club's choice of local charity.
