DIRECTOR'S CORNER

DON'T CALL THE DIRECTOR!?

By Harry Falk

You're the declarer against a 3NT contract, and you lead the Queen of diamonds--- LHO plays the 9 of diamonds and the 8 of diamonds together to a diamond trick. You are ever the considerate player, and you decide that you don't want to interrupt the director from his daily Sudoku--- so you don't call him to the table. You know, without any hesitation, that your opponent must play this card at the first legal opportunity---so why bother the director?

So on the next trick, you play the King of diamonds, knowing that your opponent must play his 8---and then you proceed to cash all of your other tricks and LHO never gets his diamond Ace.

That was pretty smooth of you, wasn't it? You took advantage of the Laws to sneak away with an extra trick. But were you right not to call the director? Of course not!!! You've just taken advantage of your opponents. LHO was entitled to play his Ace, but didn't get the chance. The 8 of diamonds was a minor penalty card, since it was inadvertently exposed and it was not an honor card (10 or higher). There are substantial differences in the Laws regarding minor and major penalty cards, and the director should know the Laws and apply them appropriately.

In fact, any time there is an exposed card---be it accidentally exposed, dropped, played and then retracted to correct a revoke----there should be a director at the table. You should call the director at once---not 3 or 5 tricks later. The director will take the time to explain what happens to this card, the restrictions that are placed upon partner, and declarer's options.

No player should ever presume that they know the rules and that the director doesn't need to be consulted. No player should be offended when the director is called. You're playing in a sanctioned game which is conducted by a series of Laws, and it is the director's responsibility to see that those Laws are properly applied. (By the way, when I play --yeah, I really do actually play every once in a while--if any irregularity occurs at the table, I call the director.)

Frequently at a tournament, a player comes over to me to ask if they should have called the director in a situation which has just occurred. Simply stated, YES!! If you are in any doubt whether or not to call the director---CALL THE DIRECTOR!

READER FEEDBACK

The feature article and cover photo of the January/February Sunshine Bridge News generated more feedback than any other previous issue. Thank you to those who have responded. As promised, we hope to publish your comments throughout 2007 about ACBL Member of the Year Zeke Jabbour.

Here is what Platinum Life Master Dennis McGarry says about his early experiences with Zeke:

In January of 1976, I attended a regional tournament in Bloomfield Hills, Michigan. Back in those days, the Sunday Swiss was 8 matches with a dinner break. My table was discussing some of the hands from the Open Pairs the day before. One hand that was of great interest was a hand I had declared in 3 NT. The theme of the hand was to keep my LHO off play and let RHO in whenever possible. The key suit was one in which I held the AJ82 in dummy and the 76543 in my hand. When I led up to the AJ82, my LHO had played the 9, so I played low, and RHO won the Q. When I played the suit again I played to the Jack and easily picked up the remaining K10 onside.

I hadn't thought much of the hand but my dinner companions pointed out that if LHO played the King on the first play, it would have gobbled up his partner's stiff Queen and he would always have an entry still holding the 10-9 of the suit. I laughed and remarked, "Who'd make that play in this lifetime?" One of my dinner-mates pointed to a table across the room and said, "He did".

There sat someone I'd never seen before – Zeke Jabbour. He was wearing the ascot and carrying a pipe, which were his trademarks back in those days. I thought to myself, anybody who could find a play like the King to set up the "crocodile coup" is a player I'd like across the table from me. A few months later I got my wish, which started a successful partnership of many years. Thru the years, Zeke has made many fine plays

with me, but that one always stands out in my mind, as it was my introduction to one of the all time great players.

Sincerely,
Dennis J. McGarry

Congratulations to you Zeke on being named the 2007 Member of the Year for ACBL. From the time we entered the bridge world Sharon and you have helped and guided us. You are a true professional and we feel fortunate to have you as our counsel and friend.

Thank you for wishing a comment on Zeke Jabbour...he is a special person.

Congratulations Zeke for being named ACBL Honorary Member of the Year 2007. You are personal as well as professional in your communication with others. My husband, Tim, who is not a bridge player, shares his memories of meeting you and Sharon during a bridge cruise in 1995 which you both directed and organized. Hopefully, we will share another vacation with both of you.

One 84-year-old man, upon seeing the photo of Zeke on the cover of the Jan/Feb Sunshine Bridge News, said this: "Are all male bridge players as gorgeous as this hunk?"

In fact, it's not a surprise to us that both males and females who are attracted to men are surely attracted to Zeke! As the bridge player, who reported this story, said, "Mr Jabbour... does exude a sense of classiness that is rare among bridge players. South Florida is lucky to have him."

UNIT 102

PRESIDENT'S MESSAGE

Carol Hamilton

As I write this message, I have just completed serving my first year as President of Unit 102. It has been an exciting year, with many good things accomplished and many challenges still ahead. The people serving with me on the Board of Directors and as adjuncts to the Board deserve a special vote of thanks for all of their hard work. Their names are listed on this page. Also, there are many volunteers who contribute regularly, either by helping with Tournament Hospitality, or Appeals Committees, or Prize Selection and Distribution, and with many other aspects of running our many tournaments. Please be aware that the success of this Unit rides on the shoulders of these people, and express your gratitude accordingly.

Our Slate of Officers has been reelected for another year. We are going to try to improve on what has gone before. We need more volunteers in several areas. Anyone wishing to help out in the areas of Publicity, Hospitality, or Education should contact me or any Board member and we will welcome you with open arms.

Once again, I need to bring up a very important area that we all need to continue to work on. Every person's conduct at the Bridge table either contributes to or takes away from the enjoyment of the game by the other three people at the table. Please remember that we want this wonderful game to continue to flourish, and as new people come in to play, we must make it a totally positive experience for them if we want them to stay. Remember Active Ethics and support Zero Tolerance for bad behavior. Treat your opponents, your partners and the Directors with respect, and try to foster a pleasant, friendly atmosphere at your table at all times.

Don't forget our two upcoming events in March. We have our Anniversary Swiss Team Championship and GNT Qualifier at The InBetween Bridge Club on Sunday, March 18th, and our Spring Sectional at the Sarasota Municipal Auditorium March 29th through April 1st. Make plans to attend and bring your friends as well.

UNIT BOARD ELECTED

At its January 20, 2007 Annual Meeting, the Unit 102 membership chose two new Directors for its Board and re-elected three others.

Cynthia Murphy and Farald Riegel will join Bette Cohn, Susan Goodman-Mays and Carol Hamilton for new two year terms. They will serve with incumbents Dean Cohler, Jack Hawes, Michael Kassay and Sandra Lewis to complete the nine member Board.

At the Board meeting on January 22, 2007 the following officers were elected: Carol Hamilton, President; Jack Hawes, Vice-President; Sandra Lewis, Secretary; Ruth Howard, Treasurer; and Michael Kassay, Webmaster.

ANOTHER SUCCESS

Although below last year's numbers, the attendance at our January 2007 Sectional still managed to break the 400 table mark, totaling 435 tables over the 3 1/2 days. Co-chairs Jack Hawes and Ruth Howard received many compliments from the players on the venue and a well-run event.

Hospitality Chair Mary Riegel contributed her always efficient talents by coordinating the daily continental breakfast with a constantly replenished snack table and the catered luncheon during Sunday's Swiss Teams.

NEW SUNCOAST MEMBERS

Unit 102 welcomes new ACBL members to the Suncoast Bridge Association. We wish each of you a rewarding bridge career.

UNIT CHAMPIONSHIP & GNT ON MARCH 18

Unit 102 will sponsor a special combined Unit Swiss Team Championship and Grand National Teams Qualifying game on Sunday, March 18 at the In-Between Bridge Club. The game will celebrate our sixth Anniversary, and proceeds will go to the Sarasota Memorial Healthcare Foundation. Starting time will be at 11 AM, with luncheon served after the third round. Both Open and 199'er events will be offered.

Because of specified stratum limits set by the ACBL for Grand National Teams, the Unit's usual practice of averaging the masterpoints of the team to decide strata will be suspended for this event.

Reservations are preferred, so contact either Carol Hamilton at (941) 371-0949 (jimandcarolh@comcast.net) or Ruth Howard at (941) 746-4999 (Ruth_Bridge@msn.com).

Whether or not qualifying for the next (District) level of the Grand National Teams is your goal, plan to get a team together and join us on the 18th for an afternoon of good bridge.

DON'T FORGET OUR MARCH SECTIONAL

Our Spring Sectional, beginning on Thursday evening, March 29 and ending on Sunday, April 1 (no fooling!) will be hosted at a new venue for Unit 102—the Sarasota Municipal Auditorium, right on Rt. 41 just north of downtown.

Co-Chairs Susan Goodman-Mays and Sandra Lewis are hard at work planning to make this a bigger and better event than previous sectionals. The new facility presents a true challenge to the Co-Chairs and to Hospitality Chair Mary Riegel, a challenge which will be met with the usual efficiency and imagination players have come to expect from Unit 102-run tournaments.

For more information, check the flyer at the end of the Unit 102 section in the January 2007 Sunshine Bridge News.

AND YET ANOTHER SECTIONAL COMING UP IN MAY

The annual Mother's Day Sectional will be held in May, starting on Wednesday evening May 9 and finishing on Saturday, May 12 with a playthrough Swiss. The tournament will be held at the In-Between Bridge Club (see our flyer in this issue of SBN).

PLEASE NOTE: In order to leave Sunday free for everyone to celebrate Mother's Day, this tournament will start and end a day earlier than the usual tournaments. Don't miss the Wednesday evening start.

Appointment Pending

Unit 128 is now, and probably forever, the largest Unit in the entire ACBL with 12,954 members as of the end of 2006.

Kudos to Jayne Thomas and all the volunteers that made the Manatee Convention Center Regional such a huge success. The hospitality offered by Unit 128 included two lunches, and our usual Free Orange Juice and Coffee. The playing space was unlimited and attendance was great.

March 11th will be the Unit Swiss Team game held throughout Unit 128 at the various clubs. There are also a number of fine sectional tournaments throughout the state almost every weekend. Please support these games and your local clubs as well.

Our famous Southeastern Regional will be held April 23-29 at the Bahia Mar Beach Resort, in Ft. Lauderdale. Don't wait -this hotel always sells out in the height of season.

Reserve now for the Palm Beach Gardens Regional, at the PGA Resort and Spa. With a great golf course, exercise facility and spa, there's plenty to do besides the bridge. This tournament starts on Memorial Day and runs from May 28th to June 3rd.

We should all be looking for ways to publicize this great game. Should any of you have any contacts in the media, please let one of your Board members know. We must continue to attract new players to the game we all love.

Please let your Board members know what would inspire you to attend more of the Unit's Sectional and Regional tournaments. We are constantly fine tuning and trying to make the tournaments more entertaining. Tell us what you like and what you don't like...Your Board serves as your un-paid representatives, so it is important to share your concerns and questions. We plan to take a survey of the players in the near future. Please take the time to fill out the survey and return it timely.

Good luck, except when you are playing against me. Have fun, see you at the next tournament.

J. Jefferson Overby

Congratulations to our unofficial winners and top finishers in the various categories of the Mini-McKenneys. This list may include any of our 12,954 members on December 31, 2006, although for race purposes, some of you may be reassigned into a previous unit, where you were a member for over half of 2006. We are particularly proud of Jeff Meckstroth, winner of the Barry Crane 500.

Congratulations to our unofficial winners in the various Ace of Clubs categories. These lists were printed on January 7th, and therefore are subject to late changes.

SPECIAL SWISS TEAM SUNDAY GAMES — 2007

Each year Unit 128 is allowed five special Swiss Team Sunday games where sectionally rated black points are awarded. The dates for the games are listed below and are also listed in the Tournament Calendar at www.floridaunit128.org.

While you do not have to request a sanction number for these events, they do require a specific sanction number when reporting the game.

Also, you must specify if this is an A.M. Swiss event or a P.M. Swiss event – or a two session event. One has already happened (February 4), and we hope many of you enjoyed the game.

The remaining four with their sanction numbers are as follows:

March 11	L0703128A
June 3	L0706128A
September 23	L0709128A
November 25	L0711128A

Clubs holding these special games must send \$1.20 per table to ACBL with a copy of the game report – showing the Sanction number pertinent to the date.

Contact Shirley Seals or Patty Taylor 901-332-5586, ext. 1217 or by e-mail at Patty.Taylor@acbl.org

TOURNAMENT ANNOUNCEMENTS

The Ocala Sectional March 23-25 will be at a new location, Ocala/Marion County Association of Realtors, 3105 NE 14th Street.

Added to the tournament calendar: Brooksville Sectional, Thursday, Friday and Saturday, April 19-21, to be held at the National Guard Armory, 16386 Spring Hill Drive.

Cancelled from the tournament calendar: Tampa Sectional, April 20-22.

ATTENTION

Club Managers, Club Owners and Club Presidents: Please check your club's listing at www.FloridaUnit128.org as well as at www.acbl.org for accuracy. Especially check starting times, phone numbers and names of contact persons. We have heard that some people who have passed away are still listed as a club contact or director.

If you are not computer literate, please ask a member to help, or call Muriel Altus, 813 251-0315, for assistance.

CHANGE

The Bradenton Sectional is an Open Sectional, March 1st to 4th. Call or email Brian Howard for details, 941-795-8981, or LBKBrian@aol.com
