

Due to the anticipated lower than expected turnout due to the Omicron variant we are amending the schedule as shown below. Major update is to change KOs to Bracketed Swiss each day. This is being done so players can still play IMPs if they choose and does not cut the field in half each day. We have eliminated the side games as well as the afternoon/evening bracketed swiss. There will be no events at 730 at night. We apologize for any inconvenience that this may cause you.
